tort brought against Indiana Department

in NHU-438 I was sexually assaulted again.

You will find a detailed account of both  
Assaults Attached to this letter. I'm seeking  
\$700,000<sup>00</sup> in restitution for Severe emotional  
distress and depression from said sexual Assaults,

of Safety and Security on behalf of Miami  
Correctional Facility.

  
Wayne E. Wilkerson

Date and Location of First Assault - Lima Housing unit - 2-13-2022. - 131

I was moved to LHU on Thursday February 10<sup>th</sup> 2022. I requested protective custody on 2-10-22 but was denied. On Friday 2-11-22, after being threatened I placed a call to my mother (Tonnie Johnston Wilkerson) - asking her to call the Facility and tell them I was being extorted and threatened with physical violence. She was told that someone would come talk to me. No one ever did. I called my mom again on Saturday 2-12-22 begging her to call the facility again requesting help for me. I also filled out another PC form. I was denied. No Help ever came. My mom called twice on 2-12-2022 to try to get me help. Then on 2-13-2022 while hiding in a room with a buddy (Sean Voltz) two offenders I didn't know came into the room. They proceeded to smoke meth while Sean and I talked. After the two men smoked meth for a while they asked Sean to leave his room. I attempted to leave as well but was forced to stay. One of the men produced a large shank - (prison knife) - and held it at my throat. The other man said if I wanted to stay in the dorm I was going to have to eat some dick. I refused to perform oral sex on him. He then struck me multiple times in the

face. After he did that, he placed his hand on the back of my head and physically forced me to suck his dick. He ejaculated into my mouth causing me to gag. When the first man was done. The offender who had been holding a ~~knife~~ knife to my throat the whole time, pulled his dick out and physically forced me to suck his dick till he ejaculated as well. After the second offender finished he made me stand up and then he jerked my pants down and attempted to force himself into my anus. I jerked away and cried out in pain. They then stopped the assault. I got dressed as did both Attackers. I was told to stay in the room for 20-30 minutes before coming out or next time it would be worse.

I reported the rape on 2-14-2022 because there wasn't any chance to report on 2-13-2022. I was taken to the hospital in Kolomo and seen by a nurse - Mrs. DANA. She collected multiple swabs, and physical evidence due to there being semen on my pants, and T-shirt. I returned to the facility at approx 12:55 am. on 2-15-2022. I spoke with WII Johnson and was placed in AHU restricted housing on protective custody.

After a couple weeks I spoke with DEI Johnson again it was on 3-23-22. I pointed out both attackers via video recording to Investigator Johnson. However his demeanor showed he neither cared nor believed me due to me being a sex offender and a homosexual. I requested to be left in AHU on PC and Johnson told me "you will not be placed back on the yard-(general population)". The next day they tried to put me in ITH. I cut my wrist and was placed on Suicide ~~watch~~ <sup>watch</sup> and then moved to RHU. on 3-25-22 I was placed in NHU, where I filled out another protective custody form and was denied. I then proceeded to cut both arms from elbow to wrist multiple times to be removed from housing unit because I was afraid of being sexually assaulted again. I informed multiple staff Mr. Owens a case manager for NHU and Sgt. Kirby a Sgt. for Miami correctional unit. Both attempted to help but were unable to assist due to negligence of the facility. This resulted in me being raped again on 4-14-2022 while being housed in NHU.

Date and Location of second Attack- NHU-438- 4-14-2022

After being let out for recreation an offender who told me his name was "D" came into my room, NHU-438. He said I know your gay and what your in for - meaning me being a sex offender- he said "If you want to live in here and not have any problems your gonna be my bitch, or I'll go get five of my brothers and we'll come storm you out. Since you have no intercom in your room you won't be getting any help." I had already been raped once just a few weeks prior and was still pretty shaken about being ~~back~~ back in population, so I preformed oral on him out of fear of being physically assaulted again. After he finished I spit his semen onto an old T-shirt. "D" said "be ready when I want you or else." I reported the rape that same day. I gave my initial statement to Lt. Sowards who then called Prea compliance manager MS. Harbough who also took my statement. I brought with me the t-shirt I spit the semen onto. I was transported to St. Vincents in Indianapolis where I was seen by Miss Brooke a sexual Assault exam was preformed. she took multiple swabs and pictures of my anus because the

a attacker aggressively fingered me while I performed oral on him. Miss Brooke also took the t-shirt for evidence. I returned to the facility around 12:30 am on 4-15-2022 and was immediately placed on protective custody in AHU. The next day I was moved to RHU on Suicide Watch where I remain to this day on 5-24-2022.

Since these attacks I have trouble sleeping. Can't be touched without flinching for being scared of another assault. When I do sleep I have nightmares of being held down and raped. I wake up sweaty and shaking. I've had multiple panic attacks and I'm suffering now from Depression and PTSD. I feel ashamed of what has happened, like it is somehow my fault, because I'm gay. If Miami Correctional Facility would have acted when I filed the first PC form this never would have happened. I'm seeking for \$700,000<sup>00</sup> in restitution for emotional pain and suffering, due to ~~neglect~~ Neglect of Safety and Security.
